Dedication

To the business men of Billings—those men to whom the prosperity of our city is due; those men who represent the living progress of today, a progress which looks forever forward and uses the past merely as a mirror to magnify the destinies of the future; to those men who make possible the publication of this year book—we, the senior class, do respectfully dedicate this annual of 1931.

THEME

In choosing the theme, Student Life, the staff used the term in the sense of its reference to the social and enjoyable activities of the students. Making and keeping friends will prove one of the most important faculties of an individual in forwarding his success in life. Knowledge of a little of our comrades' lives will do more than anything to give us an understanding of each other. It is with this in mind that we have planned this book.

MEMORIES of past accomplishments, successes, failures, joys and even disappointments, perhaps, are the richest parts of which life is composed. We have been creating these memories and the records of many of them are found on the pages that follow. They will grow more worthwhile as the time goes on and more significant as we get further from them.

Our memories should become the building blocks for better things. Whether we are in high school or in our vocations thereafter, from memories of past success we can achieve greater success and from memories of errors avoid making more. If our records of the past were more definitely made in other times we could build better in all walks of life. But back of all these records, what we are doing every day is the most important as that is creating new records and new memories for the future. If we would realize this relationship in our endeavors, progress would surely result.

A. T. Peterson, Superintendent

AS you turn the pages of this history you will find your yesterdays looking back at you thru the faces of your friends. Are you happy over what you see, or do you find that your course wandered here and there rather aimlessly? Whatever you see, be assured that those yesterdays were much like today, and that your today is soon fixed in the register of time into another yesterday.

Not always will the story be written in such pleasing form as you find it here, but whether your legend be written in snow, sand, or upon the lives of your neighbors, you will see it and must read.

So live today that your yesterdays may grow into a story that you will be pleased to read.

Seniors' Farewell

THE class of 1931 is now on the eve of graduation. The goal towards which we have striven during our four years of high school life is almost attained.

We have found pleasure in the accomplishments of our daily tasks, joy in the reward for service, and happiness in the companionship of true and never to be forgotten friends.

We will soon bid farewell to our high school activities and many of our friends, but the knowledge that we have gained and the experiences that we have had, we take with us for a foundation upon which our future success is built.

May we always be loyal to our Alma Mater and may the Billings School Spirit live on forever.

THE Junior class play "Captain Applejack" was presented on December 4 and 5 in the high school auditorium. A single cast was selected to portray the characters.

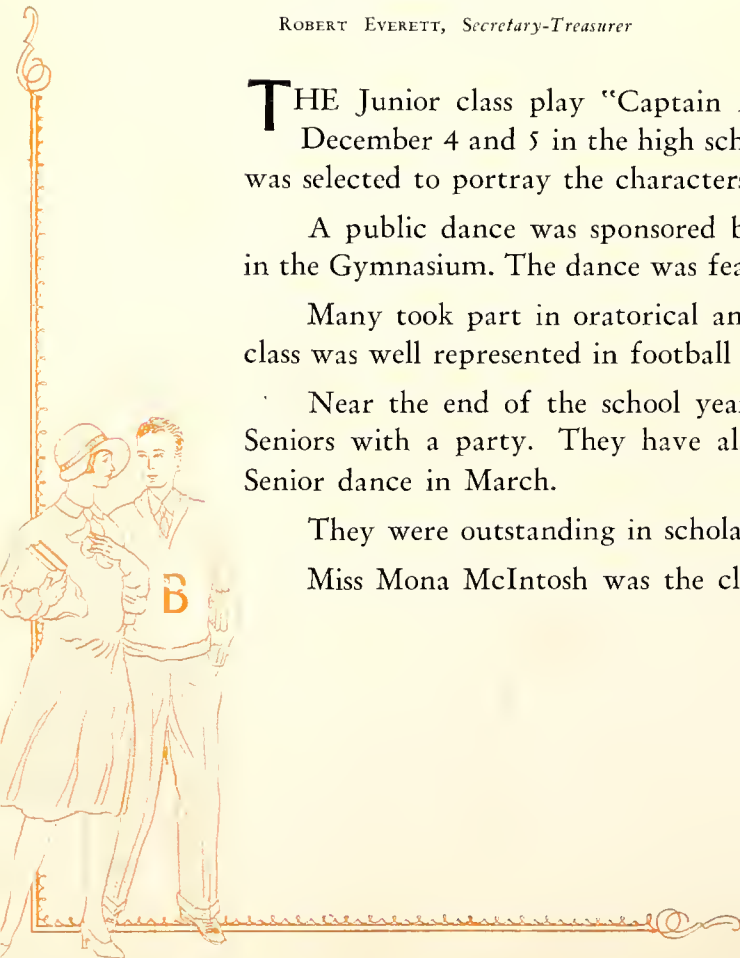

A public dance was sponsored by the Juniors on October 10 in the Gymnasium. The dance was featured by a spotlight specialty.

Many took part in oratorical and declamatory contests. The class was well represented in football and basketball practices.

Near the end of the school year, the Juniors entertained the Seniors with a party. They have also planned to give a Junior-Senior dance in March.

Freshman Class

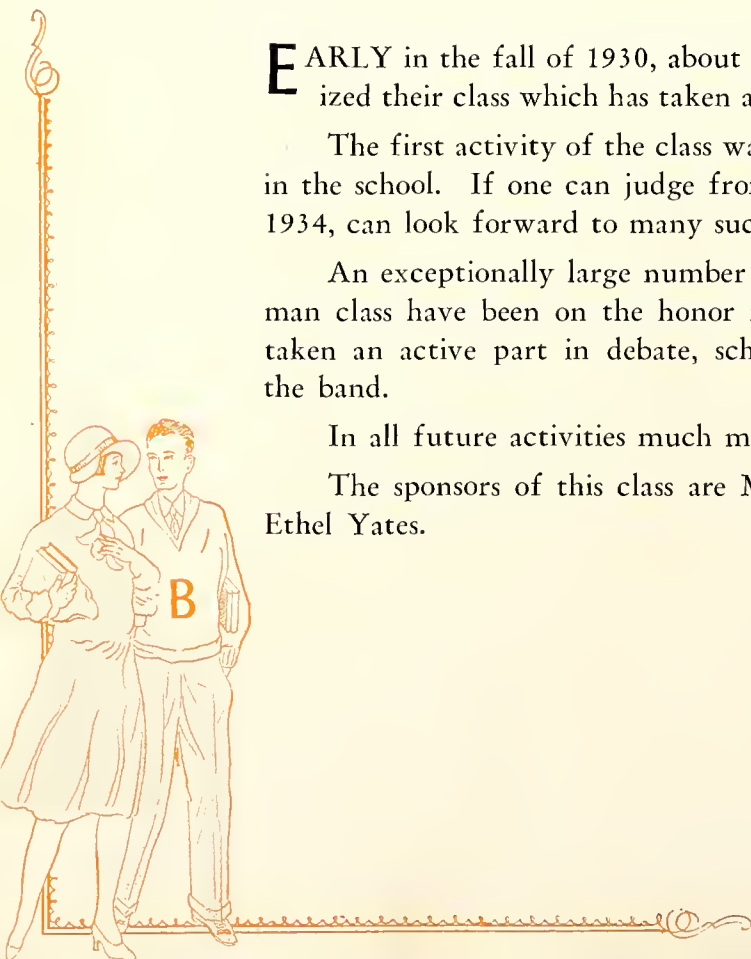

EARLY in the fall of 1930, about four hundred freshmen organized their class which has taken an active part in the school life.

The first activity of the class was a party, the largest ever held in the school. If one can judge from this first party, the class of 1934, can look forward to many successful social affairs.

An exceptionally large number of the members of the Freshman class have been on the honor roll, and many members have taken an active part in debate, school orchestra, glee clubs, and the band.

In all future activities much may be expected of this class.

The sponsors of this class are Miss Opal Leonard and Miss Ethel Yates.

EDWARD ILLMAN

L. F. PEARSON

FRED T. DAYLIS

THIS is Mr. Illman's first year in Billings High School. He has been football and basketball coach this year and has turned out two outstanding teams. Before coming here he held a similar position in the Miles City High School. He is a graduate of the University of Montana where he earned his B.A. degree.

MR. L. F. PEARSON, *Assistant Coach*

Mr. Pearson has served for the last two years as assistant coach of boys' athletics. He came to Billings from Baltimore, Maryland. Mr. Pearson is a graduate of the Bradley Polytechnic Institute of Peoria, Illinois, where he earned his letter in basketball.

FRED T. DAYLIS, *Athletic Director*

Although he is not coach this year, Mr. Daylis has taken an active interest in athletics. As athletic director he had charge of the District Tournament, controlled the finance and had charge of purchasing equipment.

Mr. Daylis is a graduate of the University of Montana in the class of "22." He came to Billings High School as coach, and last year he became the director of athletics and assistant principal.

WITH the fight for the Big 14 Championship and the State Championship in view, nearly sixty men reported for the first practice in September.

Of the sixty that reported there were five lettermen from last year: Hazelton, C. Jones, Duncan, Link, Honeywell, and several others who also saw action last year. With the lettermen as a nucleus, Coach Illman developed a well-balanced team.

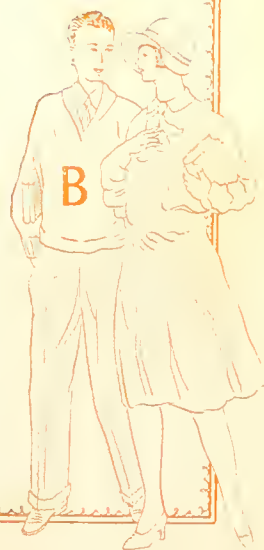

Accordingly they experienced a very successful season by winning all but one game which was lost to Miles City by a score of 7-6.

Professor Scott of the School of Mines at Butte stated that the Billings team was the best in the state, and in his all-state selections he gave eleven men positions; three of them on the first team.

Coach Illman firmly established his reputation as a football coach by turning out one of the best teams Billings has ever had.

Coach Pearson trained the second team and deserves much credit for their successful year.

Mr. Daylis took over the so-called "scrubs" and developed some fine material for next year.

LIVINGSTON

In the first game of the season Billings met Livingston, one of the leading teams of the state. At the very first of the game Billings pushed over two touchdowns. Both teams passed a great deal but Billings completed many of their attempts and kept Livingston well covered. Three of our touchdowns were the results of well-timed passes. Many reserves saw action in the closing minutes of the game. This game showed early in the season that Coach Illman's team was more than usually strong.

ROUNDUP

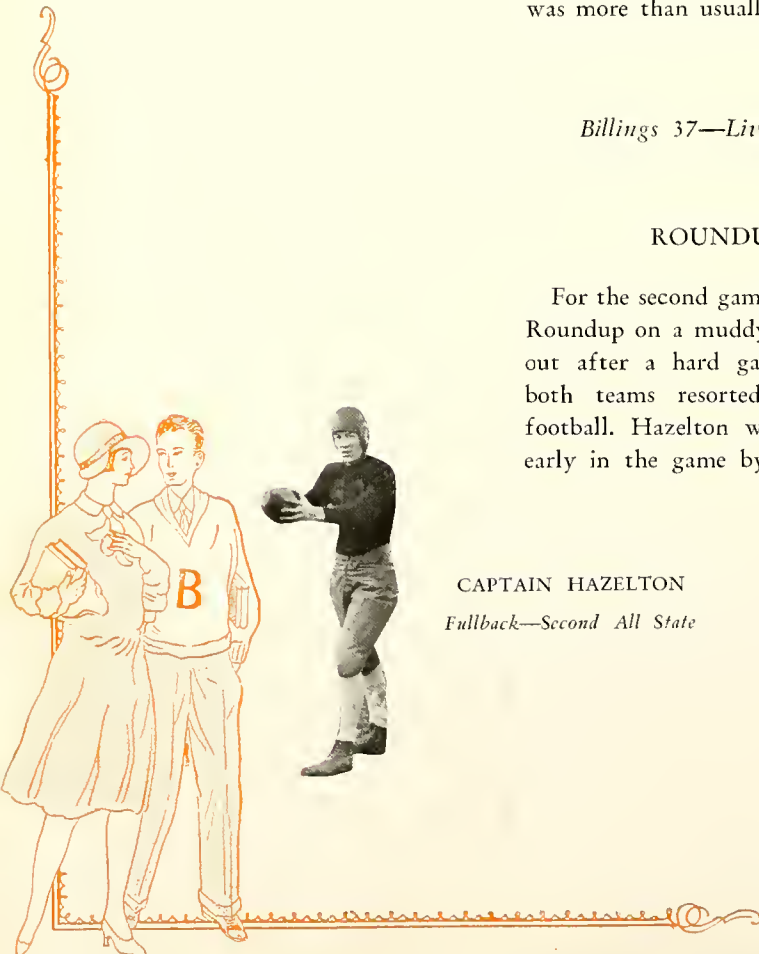

For the second game Billings met Roundup on a muddy field to win out after a hard game in which both teams resorted to straight football. Hazelton was taken out early in the game by injuries but

his place was well filled by Roy Barkley. The game was rather slow due to the condition of the field yet everyone fully enjoyed themselves.

HELENA

Billings soundly trounced the strong Helena team in another game played under adverse conditions. Billings made long run after long run, and scored five touchdowns from runs which ranged from 25 to 80 yards in length. At no time during the game did Helena threaten our goal.

Billings 44—Helena 0

SHERIDAN

The strong Sheridan team, which afterwards proved to be the state champions of Wyoming, journeyed to Billings followed up by a large crowd of supporters. On Sheridan's first play they broke loose and put over a touchdown. During the remainder of the game the Billings team slowly showed their superiority by placing over three touchdowns. The winning touchdown was gained by a pass, Jones to Simon, across the goal line.

MILES CITY

Billings received its only defeat of the season at the hands of Miles City. The team was backed up by a host of fans following in a special train and cars. The teams were evenly matched and this was shown by holding each other scoreless for the first three quarters. In the fourth quarter Billings scored their lone touchdown by blocking a punt which they had forced their opponents to kick behind the goal line. Miles City scored by a long pass in the waning minutes of the game. The game ended a tie and was played off California style, Billings losing by a few yards.

GREAT FALLS

In another out-of-town game, Billings battled Great Falls at the dedication of their new athletic field. The same incident happened a year before when Great Falls played here at the dedication of our new field and beat us soundly. The game was played in a high wind, which made football rather difficult. Billings scored a lone touchdown in the third quarter, thus evening the score of the year before.

Billings 6—Great Falls 0

LEWISTOWN

In the last game of the year, played on Thanksgiving day, Billings ran rough shod over Lewistown. The weather was ideal and a good crowd turned out before eating the customary cranberry sauce and turkey. From the first kickoff Billings kept up a steady march for touchdowns which did not slacken when the second and third teams were put in. Billings thus wound up a very successful season, in which it received only one defeat.

Basketball

BASKETBALL season opened in Billings shortly before the Christmas vacation and continued till after the state tournament. With five lettermen back Mr. Illman formed a strong team which placed third in the state tournament at Bozeman.

The season was marked throughout with the sportsmanship and fighting spirit that characterizes Billings teams. A successful season was well rounded out at the State Tournament where Billings was beaten only once and then by the narrow margin of one point.

There will be three letter men back next year.

Basketball Team

"SQUIRT" DUNCAN

Captain—Has played forward for two years. He has been the mainstay of the team all season, and has led them to many hard-earned victories. This is his last year and the player who takes his place will have to do well to fill his shoes.

CLIFF JONES

Captain-elect—Has won two letters in basketball as a forward. He is fast, hardworking player and has kept up the fighting spirit of the team at all times. He is known for his fight and ability to find the basket in times of need.

KIETH SIMONS

Guard—Played his first year of competitive basketball this year. He was one of the most consistent scorers of the team and possessed an uncanny ability for scoring when it was needed most. He has another year and great things are expected of him.

LUTHER COOK

Center—Played his first year as a regular. He is a versatile player and a good offensive and defensive man. He was high point man most of the year and will be a great asset to the team next year.

CHARLES STROUP

Guard—Who played wonderful basketball this year, showed up especially well at the district and state tournaments where he had a big part in winning most of the games. He was a valuable player and will be a hard man to replace next year.

KENNETH VON ESCHEN

Guard—Played his second year of basketball for Billings. He is a steady player, a good shot and hard fighter. His long shots have saved more than one game and he will be missed next year.

BOB LACKLEN

Guard—Showed his ability throughout the season and our only regret was that he didn't go out till his senior year, but we must give him credit for doing his bit.

BENNY BERGESON

Forward—Was one of the eight players who went to the state tournament. He is a fast, eager player and his pep will be missed next year.

EARL HONEYWELL

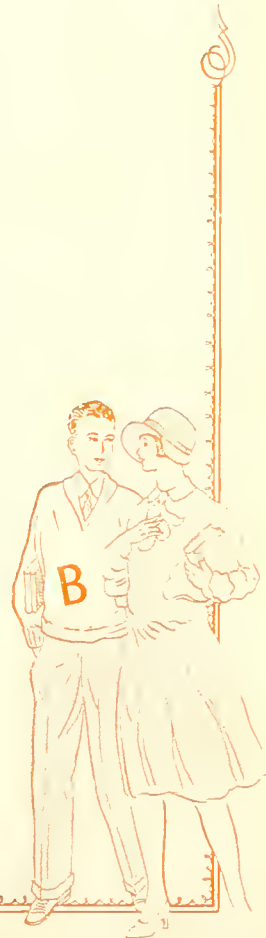

Guard—Played his second year of basketball this season but became intelligible because of his age, just before the district tournament.

JOHNY JONES

Forward—Played consistent basketball all season and his support and enthusiasm were a great asset to the team.

ED. McMAHAN

Was *Basketball Manager* again this year and was assisted by "Chuck" Hazelton. They kept check on the equipment and were efficient "watch dogs" on the trips. They deserve much praise for the way they filled their duty.

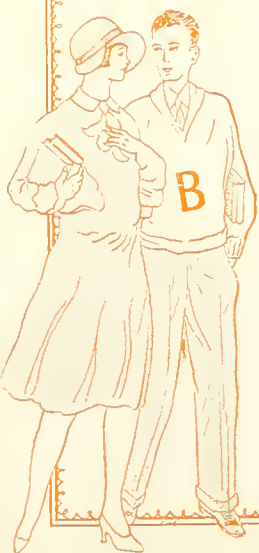

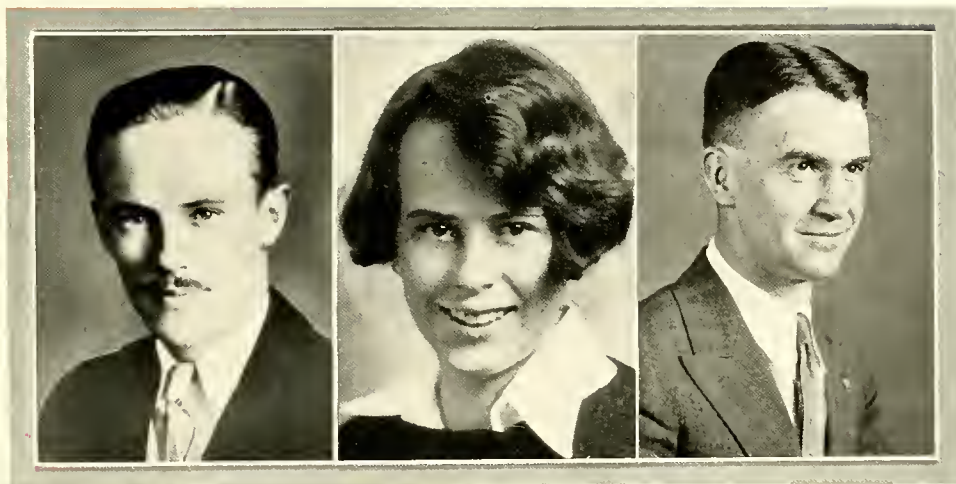

First Row—Clayton Allard, Alphius Zurbuchen, Verne Oech, Charles Stroup, Barney Russell, Walter Sump, Bill Blaksley, Robertson Dailey, John Hoveland, Don Peterson. *Second Row*—Harry Rothrock, Willie Niebauer, Jim Laurence, Art Heipeler, Bob Everett, Louis Poole, Frank Bradbury, Wayne Brazil, Otto Reymer, Wayne Cowan, Leon Haynes, Cal Battey, Wallace Moralez. *Third Row*—LaVerne Hall, Carl Chambers, Jack Purcell, George Hoveland, Clifford Croy, Benny Bergeson, Keith Simon, John Jones, Charles Hazelton, Luther Cook, Dave Duncan, Cliff Jones, Mr. Gene Pearson, Kenneth Haynes.

Track Team

WHEN the track coach, Mr. Pearson, issued the call for track candidates seventy men turned out. Among those who turned out were three that went to Missoula last year. They were John Jones, Dave Duncan, and Cliff Jones.

The material looks promising and it is expected that Mr. Pearson will send a winning team to Missoula in May.

L. F. PEARSON

MISS H. JOHNSTON

OSCAR BJORGUM

Review of Physical Education

THE program this year was the most complete ever offered to the high school student. It consisted of classes for both boys and girls: Miss Harriet Johnston sponsoring the girls, Mr. Gene Pearson and Mr. Oscar Bjorgum the boys. This is the first year that this course has been compulsory for all Freshman members. This program has been forwarded for the purpose of promoting good health which is the first of the seven cardinal principles of all physical education.

The classes consist of gymnastic exercises, organized games, floor work, tumbling, apparatus work, basketball, folk dancing, and baseball. Plans have been made for group hikes as soon as the weather is nice.

Miss Harriet Johnston teaches a junior, senior, freshman and sophomore girls' basketball class also.

Intramural League

INTRAMURAL basketball was re-organized this year under the direction of Mr. Daylis. At the first call, one hundred and seventy boys reported. They were divided into two leagues. All boys weighing over one hundred and thirty-five pounds were placed in the "A" league and those weighing under one hundred and thirty-five pounds were placed in the "B" league. The "A" league was then divided into seven teams and the "B" league into eleven teams.

There were one and one-half rounds played in the "A" league and one round in the "B" league.

The winning team of the "A" league was California. The captain was Fred Lipp and the members of the team were Elmer Link, John Hovland, Bud Wiggenborn, Frank Bradbury, Louis Pool, and Phillip Marsh.

The winning team of the "B" league was Montana. The captain was Jerry Morris and the members were Frank Phelan, Jean Carroll, Walter Sump, Ray O'Donnell, Stanly Lord, Albert Fargo, and Ed Barrett.

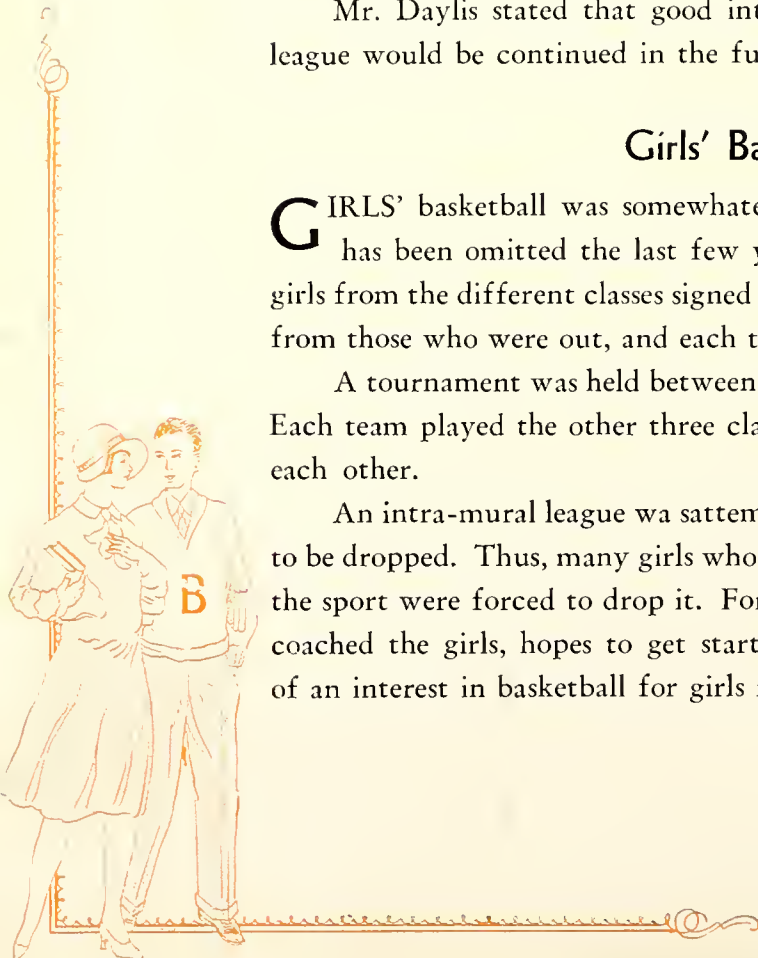

Mr. Daylis stated that good interest was shown this year and the league would be continued in the future.

Girls' Basketball

GIRLS' basketball was somewhate of a novelty this year, because it has been omitted the last few years entirely. About two hundred girls from the different classes signed up for it. Each class selected a team from those who were out, and each team elected their own captain.

A tournament was held between classes, after two weeks of practice. Each team played the other three classes, and the winning teams played each other.

An intra-mural league wa sattempted but time was so short, this had to be dropped. Thus, many girls who would have liked to have continued the sport were forced to drop it. For this reason Miss H. Johnston, who coached the girls, hopes to get started much earlier and develop more of an interest in basketball for girls next year.

Oratory

ROBERT EVERETT, a Junior, won first place in the local oratorical contest this year. As the Great Falls Tribune could not afford to sponsor a state contest this year, the winning manuscript will be sent to Washington, D. C. Here the manuscripts of all the undistricted states are placed in district "X" and the best one is chosen from these to compete with the state winners. Bob's subject was "The Constitution, Let It Live."

Declamation

THE school contest for declamation will probably be held the last week of April, but no definite date has been set. The winner of the local contest is entitled to a trip to Missoula to enter the state contest held there.

Ex-Temporaneous

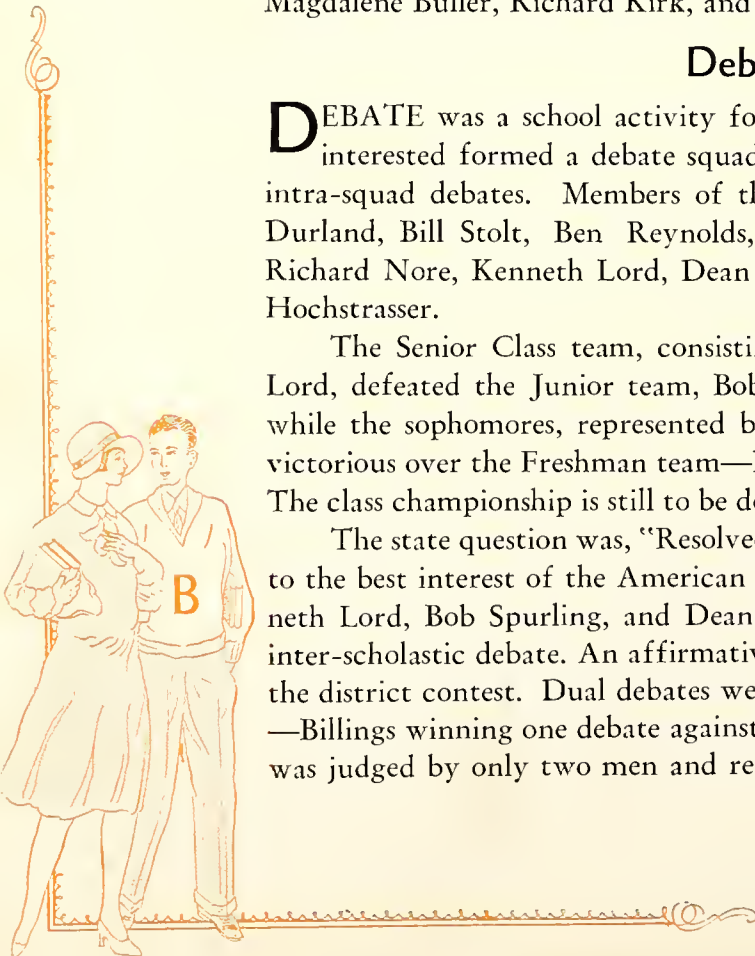

ROBERT EVERETT also placed first in the local ex-temporaneous speaking contest this year. This subject was "The Slide System of Tariff is not a Good System." He won the right to compete in the district contest. Other contestants were Dean Stebbins who placed second, Lewis Hochstrasser placed third, Donald MacDonald, Ed Seitz, Magdalene Buller, Richard Kirk, and Bob Sherriff.

Debate

DEBATE was a school activity for the first time since 1929. Those interested formed a debate squad, which met once a week and held intra-squad debates. Members of this group were, Tiny Barton, Jean Durland, Bill Stolt, Ben Reynolds, Harry Rothrock, Jack Purcell, Richard Nore, Kenneth Lord, Dean Stebbins, Bob Spurling, and Lewis Hochstrasser.

The Senior Class team, consisting of Dean Stebbins and Kenneth Lord, defeated the Junior team, Bob Spurling and Lewis Hochstrasser, while the sophomores, represented by Bill Stolt and Tiny Barton were victorious over the Freshman team—Richard Nore and Harry Rothrock. The class championship is still to be determined.

The state question was, "Resolved, that the chain store is detrimental to the best interest of the American people." Lewis Hochstrasser, Kenneth Lord, Bob Spurling, and Dean Stebbins represented the school in inter-scholastic debate. An affirmative team was defeated by Sumatra in the district contest. Dual debates were held with Sheridan and Bozeman—Billings winning one debate against each school. A debate with Rapelje was judged by only two men and resulted in a tie.

June McDonald

"Lelawala"

THE Music Department of Billings High School is becoming more prominent every year. This year it has put on its first successful operetta ever staged in the high school auditorium. The operetta was entitled "Lelawala" and was written by Charles Wakefield Cadman. The entire cast was splendidly costumed. The gorgeous Indian background and appealing music formed the setting for a sweet romance.

Both the boys' and girls' glee clubs took part in the production. The leads were as follows: Kokomis, Rolland McBride; Lelawala, June McDonald; Marpeetopah, Don Tannehill; Seargent Bilks, Kirk Noyes; Clarinda Bond, Evelyn Tuttle; Mabel Wallace, Yvonne Michotte; Lord Tatler, Bernard Havelick; Eagle Eye, Charles Pfaff; and Shungela, Roy Nelson. A selected orchestra accompanied the production.

Miss Ferne Carrick, the high school music instructor trained the cast and through her efficient work made the operetta a successful production.

The State Music Meet

AT the time of writing, the State Music Meet had not been held, but it was scheduled to be held in Billings, April 23, 24, and 25. The Senior Play

ON March 26 and 27 the senior class presented McCarthy's "If I Were King," a play taken from the life of Francois Villon, the vagabond poet of Medieval, France. Villon is pictured rising from the lowly life of the Paris slums to the king's chief man in the realm. He won the proud lady De Vaucelles, escaped the noose through the superstition of Louis XI and saved France from the Burgundians.

The play cast consisted of Dave Duncan as Francois Villon; Merrill Grafton, Louis XI; Orton Sirrine, Tristan L'Hermite; Pat Devoir, Olivier Le Dain; Roy Nelson, Thibault D'Aussigny; Carl Bollum, Noel LeJolys; Howard Walters, Rene de Montigny; Joe Hammerel, Guy Tabarie; Linc Bohlander, Colin De Cayeuly; Bob Lacklen, Jehan le Loup; Richard Kirk, Casin Cholet; Carl Chambers, Robin Turgis; Loran Johnson, An Astrologer; Adele Cohe, Toison D'Or; Phyllis Flamm and Grace Petrie, Two French Herald; Herman Herrenbruck, Captain of the Guard; Marjorie Schiltz, Katherine D'Vaucelles; Edith Maxwell, Mother Villon; Peggy Blake and Ethel Emery, Huguette Du Hamel; Ethel Emery and Virginia Conway, Jehanneton; Jane Coleman, Blanche; Dorothy Hanly, Guillemette; Sally Ann Warner, Isabeau; Phyllis Flamm, Denise; Frank Bradbury, Ed Lindstrom, and Verle Nobles, Vagabonds; Elmer Link, Sterling Thompson, Vera Oech, and Howard Brunswold, Soldiers; Virginia Conway, Zelda Stahley, and Verna Campbell, Court Ladies; and Ruth Burdick, the Queen.

This play was one of the best ever given in the high school. The actors showed fine talent and the helping committee remarkable judgment and care. Norman Bell accomplished wonders as scenic artist. Orton Sirrine was stage manager, Frank Bradbury, property manager; and Edith Allport, costume committee chairman. Miss Olive Scholz was director; and Miss Jeanette Clark, class sponsor.

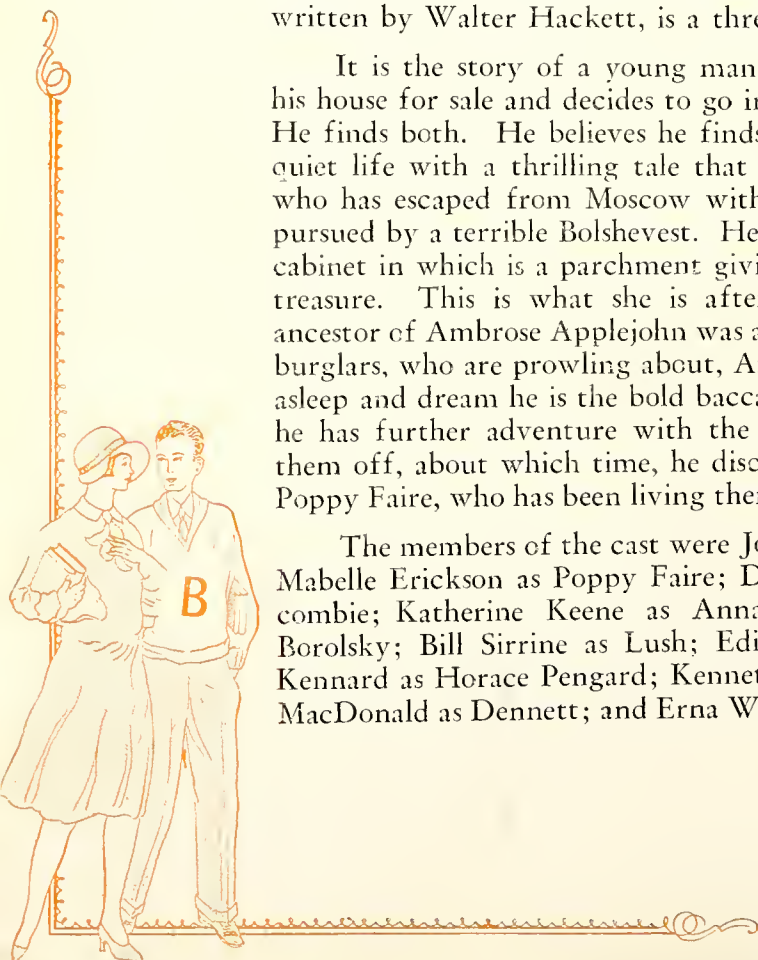

Junior Class Play

"CAPTAIN APPLE JACK"

ONE of the interesting events in the social activities of Billings High School was the Junior class play, "Captain Applejack," presented December 4 and 5 under the direction of Miss Olive Scholz. This play, written by Walter Hackett, is a three-act comedy.

It is the story of a young man who is so bored that he advertises his house for sale and decides to go in search of adventure and romance. He finds both. He believes he finds love in a lady who rushes into his quiet life with a thrilling tale that she is a celebrated Russian dancer, who has escaped from Moscow with some priceless jewels and is being pursued by a terrible Bolshevest. He offers to hide the jewels in a secret cabinet in which is a parchment giving the details of a supposed hidden treasure. This is what she is after. The parchment states that an ancestor of Ambrose Applejohn was a notorious pirate. To guard against burglars, who are prowling about, Ambrose sits up all night, only to fall asleep and dream he is the bold baccaneer of the Spanish Main. Waking, he has further adventure with the would-be crooks and finally beats them off, about which time, he discovers that he is in love with young Poppy Faire, who has been living there all the time.

The members of the cast were John Hovland, as Captain Applejack; Mabelle Erickson as Poppy Faire; Dorothy Von Eschen as Mrs. Whatcombie; Katherine Keene as Anna Valeska; Robert Everett as Ivan Borolsky; Bill Sirrine as Lush; Edith Matheson as Mrs. Pengard; Ed Kennard as Horace Pengard; Kenneth Haynes as Johnny Jason; Donald MacDonald as Dennett; and Erna Westbrook as Palmer.

Shirley

Sophomore Review

AN eight-act revue was presented by the sophomore class in "A" February twentieth. Shirley Shinn, as master of ceremonies, announced "The Trysting Place" by Tarkington, as the opening number. Jim Lortz played the part of Lancelot. Other members of the cast were: Mary Barrett, the sophisticated widow; Emeline Barton, Lancelot's sister; Cecil Musberger, her sweetheart; Cassander Nodler, Lancelot's mother; John Mooney, her former fiance, and Clayton Allard, a mysterious voice.

George Wood then played several numbers on his musical saw.

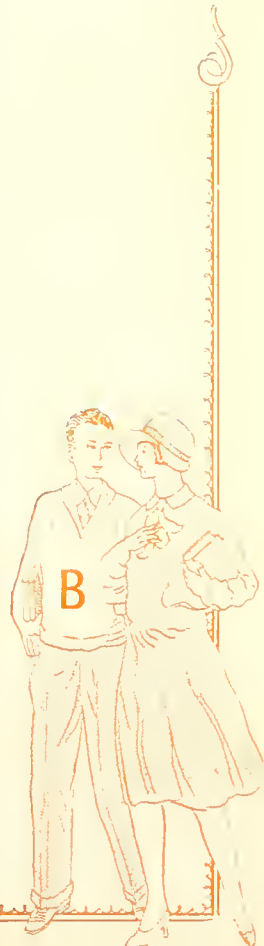

A chorus consisting of Florence Arnott, Barbara Brown, Carol Connelly, Mildred Ephland, Evelyn Lambertson, Helen McMahon, and Jean Wilkins presented two dances.

A fashion show entitled "Vogue" was next offered. The models were Jeanne Barnes, Virginia Lemmon, Emily Mortenson, Helen Wright, Kathleen Merrick, Marjory Petrie, Irene Dahlberg, Dorothy Francis, Phyllis Jones, Catherine Bjornstad, Marg Hoffman, and Jerry Reading.

Margaret Reynolds did an eccentric dance. A minstrel show with Jerry Powell, Norton Gainan, John Swarles, Eugene Elliot, Arnold Depner, Eugene Jacobson, and Ben McLaughlin was next offered.

A tap dance by Jack Shepherd and Honey McMahon closed the Vodvil.

The Sophomore Orchestra accompanied the production which was presented under the able direction of Miss Gladys Coleman and Miss Emily Hendrie.

THE Kyote Annual was published by a staff selected from the Senior Class. The staff is made up of twenty-nine members.

The entire class has worked diligently and conscientiously throughout the year to make the Kyote Annual a real accomplishment. All due praise should go to Mr. Herman Luse, annual sponsor, under whose able guidance the staff achieved success in this publication.

It is hoped that this annual, the climax of the Senior Class activities will meet with the approval of the students of Billings High School.

A great improvement was shown throughout the year in all types of news writing, and despite the small class this year the term ended with the paper on a firm economic basis for the fall of 1931.

Activity Klub

THE Activity Klub is organized as a literary society and for the purpose of promoting school spirit, better scholarship, and good fellowship.

This year the club accomplished its purpose by backing the football season in supervising the concessions, giving a football assembly in which students were given cards containing game schedules and team identifications, sponsoring a dance after the first football rally, and giving a Christmas party for the alumni and students. The programs throughout the semester were of miscellaneous subjects pertaining to the American girl.

The second semester was devoted to giving the basketball assembly before the district tournament, entertaining the Kinetic Klub, cooperating with the Athletic club to give a dance on Students' day, and honoring their outgoing Seniors at their last meeting. The programs were selected from the topic, "The Poise of the Modern Girl."

Their gift to the school this year was an electric bulletin board.

Chemistry Club

THE Chemistry club, consisting of thirty charter members was organized at the beginning of the first semester of the school year 1930-31. Anyone having a "C" average in chemistry is eligible. Since the organization was new in the Billings High School, it allowed students, who had taken the course in previous years to join also.

The purpose of the club is to stimulate interest in science, encourage research work, and to keep in touch with the accomplishments of present day scientists. The club work supplements the textbook and affords an opportunity for students to gain further knowledge, especially of current science. Practical applications are made, which stimulate the interest. Meetings are held in the chemistry recitation room on the first and third Thursdays of each month. Frequently the latter part of the meeting is spent socially.

Hi-Litso Club

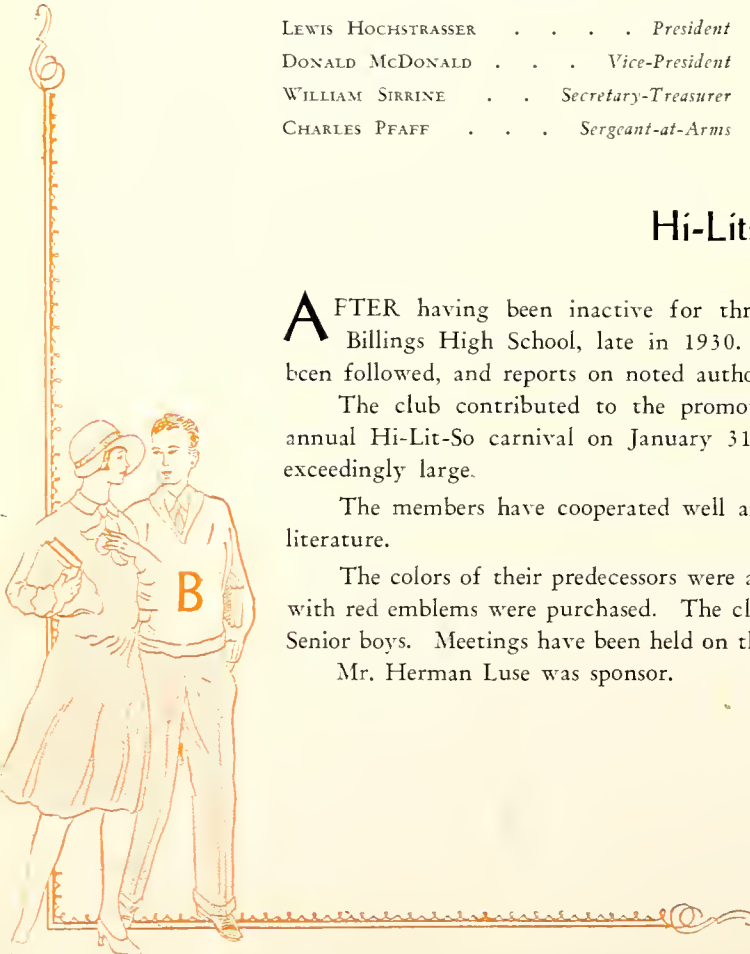

AFTER having been inactive for three years, the Hi-Lit-So reorganized in the Billings High School, late in 1930. An active campaign of literary study has been followed, and reports on noted authors are made at each meeting.

The club contributed to the promoting of school spirit by holding their first annual Hi-Lit-So carnival on January 31, 1930. The attendance at this event was exceedingly large.

The members have cooperated well and have accomplished much in the study of literature.

The colors of their predecessors were adapted by the new group and white sweaters with red emblems were purchased. The club this year was limited to thirty Junior and Senior boys. Meetings have been held on the first and third Wednesdays of each month.

Mr. Herman Luse was sponsor.

I. W. W. Club

THIS club is divided into two departments, the girls who work in Miss Huntoon's office and those who have charge of the lost and found articles. The efficiency of the Dean's office is so greatly increased by the office girls who do routine work, deliver calls, and many other things, that they have become quite indispensable. The lost and found department willingly serves a very large number of students during the year. Although the housing facilities are poor, they try to serve the students in the most satisfactory manner. By the end of February, approximately six hundred articles had been returned. The charge of a nickel an article was instituted in the high school two or three years before the I. W. W. club was organized.

The club gave five dollars to the Philanthropic Board at Christmas.

The members of the club not present when the picture was taken are: Helen Heffner, Dorothy Kline, Mildred Milligan, Naomi Carpenter, and Myrtle Everson.

Bessie Steele, Jessie Steele, Jean Todd, Harold Ramsey, Clifford Nelson, Richard Davis.

Junior Orchestra

IN the spring of 1930, Miss McIntosh, who was the sponsor of the Sophomore Class suggested to the class members that they organize an orchestra to help in the presentation of the Sophomore Revue. Accordingly six students met in 304 to organize what was then called the Sophomore Orchestra. At the beginning of this year the orchestra was reorganized. It was then named the "Junior Orchestra."

This organization has always been very helpful in furnishing popular music at pep assemblies, school dances, and banquets. It is one of the most active groups in the school.

Miss Abercrombie is its present sponsor.

Kinetic Klub

THE two aims toward which the Kinetic Klub has directed most of its energies this year have been the development of individual abilities and the performing of service to the Billing High School.

In the fall, the club furnished pep trucks and decorated the goal posts for the football games. They gave a pep assembly in October, and another in January, at the opening of the conference basketball season. For the district basketball tournament, the Kinetic Klub circulated the official souvenir programs, and handled the concessions at the games.

During the meetings of the Eastern Section of the Montana Educational Association the club furnished ushers for all general sessions, and operated a transportation service for out-of-town teachers.

The Kinetic Klub requires a scholarship average of 80 to make applicants eligible for membership. Programs are presented at the regular meetings. At one of the May meetings, the members' mothers are guests of the club.

On Commencement Day the club presents a silver cup to the high school student who has made the highest scholarship record for the school year.

This club has gone under a new name this year and has been quite active in school activities. It sponsored the first formal dance of the year on November 21, 1930 and presented a one-act Christmas play, "The Killer."

The aims and purpose of this organization are: To give recognition for participation in dramatics; to stimulate better dramatic work in Billings High School; and to give members of this organization experience in dramatic arts.
